

MSR is an Educational Missile Arched with 21st Century Skills in promoting an Ethical Quality Education to the society.

It is an education seed sowed by SKPVV Hindu High School's Committee in the year 1991. Today, the seed has germinated into a tree of well-equipped and successful Educational Institution. The glory weighed with around 1300 students and 100 staff.

Our school provides the necessary opportunities desired by the parents, to enrich the Life skills, Creative Skills & Entrepreneur Skills among the students to nurture them as a responsible and respectable citizen of the country. Our motto is to Encourage, Empower and Enlight each and every student.
